

Friends of the Lakeview Community Library

The Friends of the Lakeview Community Library (FLCL) is a non-profit, tax-exempt organization. We are fun-loving contributors of the library: we work to provide the library with service and support. We fundraise, provide those funds for library needs, and represent patrons who enjoy all the library provides, including complimentary books, digital resources, technology, exciting programs, event space, and more!!

Based on our calendar of events, monthly meetings, and library needs, a Friend of the LCL will:

- Create and share ideas
- Vote to distribute funds
- Volunteer for programs and events
- Participate in various library activities and projects

Membership dues allow voting rights, providing support for library needs and fundraising events. Select one of these membership levels, indicating so on the following application. Dues are paid yearly in May.

- Regular Membership: \$5.00
- Family Membership: \$10.00
